GLP Capital Partners Ranked No. 2 in PERE's 2026 APAC Fund Manager Guide

Singapore, 10 September 2026 – GLP Capital Partners, GLP's asset management arm, has ranked No. 2 in PERE's 2026 APAC Fund Manager Guide. The firm raised approximately US$8.9 billion for its APAC-focused real estate strategies during the qualifying period from 1 January 2021 to 31 December 2025.

PERE's APAC Fund Manager Guide ranks private real estate fund managers based on APAC-focused capital raised across value-add and opportunistic vehicles and is one of the most recognised benchmarks for private real estate fundraising in the region. Since the guide's inception, GLP has repeatedly ranked among the leading fund managers.

The recognition reflects GLP's long-standing track record of attracting, deploying and managing institutional capital across high-conviction new economy sectors. Through its integrated operating and investment management platform, GLP combines deep sector expertise with investment discipline to identify and scale opportunities across logistics real estate, digital infrastructure and renewable energy. This differentiated approach has enabled GLP to build enduring institutional partnerships and establish itself as a trusted investment partner across market cycles.

GLP Capital Partners manages approximately US$79 billion in assets under management across 48 real asset and private equity funds. Its platform spans value-add, opportunistic and income-oriented strategies, offering institutional investors access to a broad range of risk-return profiles and investment horizons across new economy sectors.
